Re to report that I made confidential enquiry at Chiknaikanhally re the activities of 'Desiya Vidya Pita' It is ascertained that it is a Co-operative Institution which is running a High School In the beginning all the leading public of the town helped the institution with funds For the present the same public are displeased with the activities of the School Messrs Lingadevaru and Narudiah etc , who are said to be staunch con ressites, are also said to be interested in the ctivities of the School For the present the School is solely controlled by a Congress bloc of leaders and hence they guide the activities of the School

Messr C V Narayana urthy and C T Iswaran who are teachers in that School are also members of the Congress organization The other teacher is an admirer of congress ideals The first person influences the rest and he is a mischief monger in the town and hence Desiya Vidya Pita High School is the nucleous of ll loc l politics at Chiknaikan hally These teachers are ascertained to be actively congressmen They have made it a point to imbibe the young and innocent students with hatred towards Government and its servants The boys are used as information gatherers and instruments of propaganda of the local congress This fact is made clear in the activities of those people in connection with the Gandhi Jyanthi, Subash Bose Day and the National Flag incident The teachers, with the financial assistance of some congress dmirer are the organizers of all political meetings and the students are the innocent prey to the congress indirectly They are used to distribute pamphlets collect money for several funds which the Congress from time to time requests, like out demonstration in the town Congress leader have many a time held meetings in the School itself

In regard to the actual educative aspect is concerned the citizens of the to n are highly displeased with the present day conduct of the School Hence voluntary and lumpsum donations have ceased Some of the leading people want to represent to Deputy Commissioner Sahib about the activities of the School and see that this institution which is not imparting real education

While doing this, I am placing a request in your hands to do well to consider the question of the Municipal Grant to the institution which was given as a special case last year — and have it sanctioned as a permanent feature from out of the Municipal funds from this year onwards.

It needs little for me to say that the Governing Council of the Vidyapeeth will do all in its might to further the cause of higher education; indeed it would not be exaggeration to say that the Vidyapeeth stands with the ideology of SERVICE to the Country at large imparting education on sound and efficient lines.

Thanking you.

Sir,

Adverting to your letter No L 10858 dated 12-4-46 enquiring as to why the grant made by the Municipal Council, Chiknaikanahalli to the above referred High School should not be discontinued in the circumstances mentioned thereih, I have the honor to state that a ' Show Cause' notice was issued to the authorities on 18-4-1946 to submit their explanation in the matter

The Secretary, Desiya Vidyapeetha, Chiknaikanahalli states in his letter No 295 dated 20-4-1946 that the High School is not a ' grant-in-aid' institution but a temporarily recognised school and there is no violation of grant-in-aid rules He further states that the Council sincerely desired to adhere to the prescribed rules and tried to secure the services of the trained teachers The only trained teacher who was entertained, submitted his resignation to the post owing to some domestic inconveniences and from thence forward trained teachers could not be secured in spite of due advertisement of the vacancies and all other possible efforts
